The Westin Prince
Revitalized and Fabulous for 40th Anniversary!

This July 10th, The Westin Prince Hotel in Toronto will add a 40th candle to its celebratory cake.

For 40 years The Westin Prince has welcomed guests from far and wide. The hotel looks forward to the next four decades and beyond. General Manager, Ashok Baghel advises that there are six associates who have been at the hotel since the doors first opened in 1974. Baghel shares his sentiments about this milestone day, "We're honoured to be celebrating the ruby anniversary at The Westin Prince. Over the years, the city has grown exponentially, yet the hotel remains cradled on 15 acres of beautiful parkland and we're the only hotel in Ontario to receive AAA Four Diamond Status for 39 consecutive years. I would like to extend heartiest congratulations to all of our dedicated associates for taking such great care of our guests and local visitors."

At The Westin Prince everything is designed with a guest's well-being in mind making it easier to maintain a healthy lifestyle on the road. Guests unwind from travels with refreshing amenities, inspiring designs and innovative partnerships focused on fostering mindfulness. And guests dream away in the renowned Westin Heavenly® Bed. The hotel's refreshing ambience, innovative programs and thoughtful amenities help provide a stay that leaves you feeling better than when you arrived.

Interested media are invited to cover afternoon ruby tea festivities on July 10th. The hotel leadership team will be on hand from 1 p.m. to 4 p.m. and invite you to the open house celebration.
