

**Energy Saving Workshop  
Successful Electricity Management Practices**

The Greater Toronto Hotel Association (GTHA) is partnering with the Independent Electricity System Operator (IESO) and Natural Resources Canada to offer energy workshops. These interactive and practical seminars will be of interest to Operations/Facility/ Engineering, Maintenance Managers.

Electricity costs are rising – learn how to save money by getting the latest information on energy management, calculate the financial value of energy efficiency projects, find out low cost/no cost ways to save, build a business case for energy projects, benchmark your current program and find out the latest information on current incentive programs.

Complimentary to GTHA members. Registration is limited to 25 participants.

**Novotel Toronto Centre  
45 The Esplanade  
Toronto  
May 16, 2011  
8:30 am to 4:30 pm  
(Lunch included)**
