

WURTH HAND HYGIENE AND CLEANING
SOLUTIONS BOOST PRODUCTIVITY AND
LOWER COSTS.

HEAVY DUTY CLEAN.

THE TOTAL HAND HYGIENE SOLUTION FOR INDUSTRIAL TEAMS.

Working with GOJO, the global leader in hand hygiene, Wurth brings you a total skincare solution that keeps the hands your business depends on healthy and productive.

Workers touch stubborn soils like dust, grease and oil every day. With the wrong hand cleaner, washing can result in dry, cracked hands that hurt, and never really get clean.

- GOJO, Canada's #1 brand of heavy-duty hand cleaner, completely removes difficult soils and offers:
- Durable dispensing systems make hand cleaning easy and convenient
- Simple Clean & Condition regimen improves skin condition in just 14 days
- Save time and money and simplify hand hygiene with one complete skincare source.
- Reduce waste with portion-controlled dispensers
- Prevent product contamination with Sanitary Sealed™ refills
- Reduce medical claims and absenteeism
- Increase productivity – reduce the impact of dry, damaged skin on performance

HIGH-QUALITY MAINTENANCE SOLUTIONS.

Würth brings you Tork quality wipers that not only do a better job with less effort, but help you save money as your team spends less time on cleaning and uses less cleaning solution. Tork wipers and dispensers are designed to work efficiently and meet all the wiping needs of heavy-duty environments.

CLEANING EQUIPMENT WITH SOLVENTS

Cleaning grease off machinery is a common task for industrial workers. It's important to have a wiper that effectively stands up to and works with today's cleaners and solvents. Tork Premium 530 and 520 wipers with floor stand are a perfect, high-capacity mobile solution so you always have product close by.

WIPING SPILLS AND METAL SHAVINGS

Work areas frequently need to be wiped down to remove dirt, grease or metal shavings. To protect hands from cuts or scratches, choose a bulky, protective wiper such as Tork Premium 530 and 520 and Advanced 450. They're thick and highly absorbent to protect hands while effectively cleaning up spills and dirt. The W1 wall stand makes access easy and clean-up faster, to increase productivity.

CLEANING TOOLS, WIPING HANDS AND FACE

In a heavy duty work environment, employees need to wipe their hands and faces throughout the day, and remove dust, grease or soil from tools. Tork Premium 530 Multipurpose Cloths and Tork Advanced 450 Wipers provide good absorption and hand protection while being flexible enough to reach and clean small surfaces. The Top Holder (W4) dispensing system provides one-at-a-time dispensing to reduce over consumption while offering a clean sheet every time.

RAGS CAN CONTAIN RESIDUAL GREASE, OIL AND CHEMICALS THAT INHIBIT PERFORMANCE AND ABSORPTION

BULK RAGS CAN VARY IN COLOUR, SIZE AND MATERIAL WHICH IMPACTS PERFORMANCE, CREATES WASTE AND DRIVES UP COSTS.

TORK WIPING SOLUTIONS

PRODUCT	PART NO.	SIZE

THE DUSTBANE WAY: SIMPLIFIED CLEANING SOLUTIONS

Würth brings you a portfolio that includes an extensive line of chemicals for use in different applications. We're also proud to offer a selection of ECOLOGO certified products that meet your cleaning needs and help you achieve your company's sustainability goals.

SPECIALTY PRODUCTS

Some situations need specialized products to complete cleaning tasks. Maintaining a pristine environment isn't subject to how often or thoroughly you clean, but rather the type of products used. We offer an assortment of heavy-duty cleaning supplies that go the extra mile to deep clean, restore surfaces and prevent mess and imperfections around your facility.

Choose from our selection of Dustbane products that offer:

- **Industrial Quality**
Tackle your toughest cleaning jobs with our robust product offering.
- **Cost Effective**
Our products will ultimately contribute to cost savings as the use of proper chemicals and equipment will lower maintenance fees. We also offer a variety of solutions for different budget ranges.
- **Health & Safety**
Our labels are carefully designed to make it easy for the user to identify the purpose of the product, safety risks and proper usage. Our products are also accompanied by literature to facilitate product knowledge and training.

WHY CLEAN?

Hard Surface Care

Bacteria are everywhere — especially on the surfaces you touch. Regularly cleaning and disinfecting surfaces is key to maintaining a hygienic space and limiting the spread of infection.

Without regular surface cleaning, pathogens, including cold and flu viruses, can spread more easily from person to person. Not only does this affect your team's wellness, but can also lead to employee absence — interrupting business and costing the company time and money.

Floor Sealers and Finishes

Do you know the difference between floor sealers and finishes? Floor sealers protect flooring investments by reducing damage caused by abrasions and dirt. They're used as a base in floor care routines — meaning they protect flooring materials, but their high solids percentage means they leave little to no shine on floors.

In comparison, finishes offer less protection but provide a polished look that helps lock sealers in. A sealed, unfinished floor will have a dull or matte appearance, which is why it's important to select a sealer and finish combo that provides the desired effect in your business.

DUSTBANE CLEANING PRODUCTS

PRODUCTS

PART NO.

SIZE

WASHROOMS - PAPER AND DISPENSERS

Power Lift

An industrial grade degreaser highly effective to quickly remove grease, oil, dirt and grime. Offers a performance superior to solvent based cleaners while being safe on all metal and non-metal surfaces, including rubber.

51359 4 L
51362 20 L
51363 210 L

Power Kleen RTU

A non-butyl water-based cleaner and degreaser intended for use on any surface where grease and oil residue are a problem. It gives the end users an alternative to butyl-based products.

53220 750 mL

Ultra Orange

Combining effective surfactants and a natural abrasive, it gently cleans even the most deeply embedded grime, soil and dirt.

51767 4 L

Dustbane

Use to reduce airborne dirt and dust during sweeping of sealed and unsealed wood, concrete and metal floors.

52509 22 kg
52100 100 kg
52135 135 kg

Prevents dust and dirt from becoming airborne and resettling when sweeping.

Triple Action Multi

Cleans, degreases and disinfects in one simple wipe. Maintaining a clean and sanitary environment has never been so easy. Wipe dimensions: 7" x 8"

53376 120 wipes

Foundation

Achieves uncommon levels of durability and permanency for total sealer protection for resilient and non-resilient floors. APE and odour free.

53777 4 L
53779 20 L

UniTab

An effervescent disinfectant and sanitizer tablet that just requires water. Effective against a broad range of microorganisms including C. difficile spores, and Hepatitis A. A single dose tablet delivers accurate strength solution every time, eliminating measure and pour guesswork.

53379 120 tablets

Power Wash

An effective cleaner and degreaser designed for the truck and transportation industry, that works quickly with minimum effort. Its foaming formula allows for a prolonged dwell time to loosen dirt, grease and oil. Safe to use on all painted surfaces and on decals.

51369 4 L
51370 20 L
51371 210 L

Azure

A surface cleaner that delivers exceptional performance, while being also an ideal choice for glass surfaces. Its mild formula can also act as a dust collector when sprayed lightly on microfiber cloth and an excellent stainless steel cleaner. APE, VOC and ammonia free.

50201 4 L

Bio-Bac II

A blend of surfactant and bio-cleaning agents (bacillus) that provides a revolutionary cleaning solution. It penetrates hard surfaces to remove organic soils in a safe and efficient way. This "people friendly" bacteria keeps working long after the initial application.

53762 4 L

Excelsior

Offers a cleaning solution with exceptional performance without the use of harsh chemicals. It offers superior cleaning efficiency therefore reducing labour.

50211 4 L
50213 20 L

Doodle Buster

This high foaming formula provides optimal coverage. Although it's ideal for new and old graffiti stains, it can also be used for hard surface cleaning, degreasing, carpet cleaning and pet stains.

50247 1 L

Film Away

This neutral detergent offers you a great cleaner, combined with a neutralizing feature for ice melter residues. Can also be used as a multitask cleaner that offers superior cleaning power and reduces the risk of leaving your floor with an unbalanced pH.

51440 4 L

Blu-Lite

An all-in-one viscous cleaner, disinfectant descaler and deodorizer. An acid replacement cleaner that offers optimal performance. Ideal for toilets, urinals, sinks, bathtubs, faucets, chrome, stainless steel, showers, ceramic, etc. A complete solution for restroom maintenance.

53747 1 L
53749 5 L
